Foothill Freeway (I-210) Closures for Pavement Rehabilitation

La Crescenta, La Cañada Flintridge, and Pasadena - The California Department of Transportation (Caltrans) will close lanes, on/off ramps and connectors on the Foothill Freeway (I-210), as part of a pavement rehabilitation project. Residents and local businesses located near the freeway may experience noise, vibrations and dust associated with construction activities. Water trucks will be used to minimize dust during working hours, and equipment movement will be limited to reduce noise from back-up alarms. Motorists should take extra precaution when driving near the I-710 work site since trucks will be hauling concrete materials.

The center median on the I-210 is 100 percent complete and crews have begun removing k-rail at various locations. On Tuesday, December 11, crews will pour the last amount of concrete on the I-210 lanes. The grinding of the last concrete panel repairs should conclude by Friday, December 14. Once this work is complete, final striping will be scheduled for the highway if the temperature is 50 degrees or above.

Long-Term Closures:

- **East to East** I-210 connector at State Route 134 during the week (10 p.m. to 5 a.m. Monday-Thursday, 11 p.m. to 6 a.m. Friday).

I-210 project closures Monday, December 10 through Friday, December 14:

Eastbound I-210 (7 p.m. to 6 a.m.)

- Up to **four lanes** from Lowell Avenue to Mountain Street, up to **three lanes** from SR-134/Interstate 710 (Long Beach Freeway) connector to Lake Avenue
